HOA Management Services Homeowner Guide

Understanding Your Annual Meeting, Proxy & Voting Rights

Prepared for Paddock Point Homeowners Association

Meeting Info: The Paddock Point HOA Annual Meeting will be held on Monday, August 31, 2026 at the Cyrill-Westside Library, 525 Oak Grove Road, Spartanburg, South Carolina 29301. Registration will begin at 6.00pm and the meeting will start at 6.15pm. Meeting will end promptly at 7.15pm.

What is a Proxy? A proxy is a signed document that allows you as a homeowner to authorize another homeowner or the Board of Directors to represent your property and exercise your voting rights at the Annual Meeting if you are unable to attend the meeting. You may instruct your proxy holder to vote in a particular manner on your behalf, or you may give them the choice to vote as they prefer.

What is the purpose of a Proxy Form? There are several purposes for completing a proxy form. 1) It is counted toward the quorum (see below), 2) It enables you to cast your vote for a Board candidate or other annual meeting business, in your absence, and 3) It enables you to appoint another homeowner or the Board of Directors to act on your behalf at the annual meeting if you cannot attend.

What do I do with a Proxy Form? If you cannot attend (or think that you may not be able to attend) the Annual Meeting, you should fill out the proxy form and mail it to the management company: Paddock Point HOA, c/o HOA Management Services, 1218 John B White Sr Blvd, Ste F, Spartanburg, SC 29306, or you can place it in the drop box in the HMS office door. You can also email it to paddockpoint@hoapartner.com. In addition to these methods, you may also hand your completed proxy form to the person that you name as your proxy, or one of the board members (please place in a sealed envelope and sign across the seal). We encourage you to return your proxy even if you think you may attend, as it helps ensure the Association can establish a quorum if your plans change.

What happens if more than one Proxy Form is submitted from the same Lot? In the event that two or more proxies are received from the same Lot, the one with the latest date will be used. If two or more are dated on the same date, the proxy will be counted for quorum purposes only.

What if I submit a Proxy Form and then decide to come to the annual meeting? If you have submitted your proxy form and then decide to attend the annual meeting, your proxy will be returned to you when you register in person. You will then be given the appropriate voting forms for the meeting.

What is a quorum? A quorum is the minimum number of eligible homeowners who must be represented, either in person or by proxy, before the Association can conduct business at the Annual Meeting. The Paddock Point Bylaws state that the quorum is 25% of the homeowners who are eligible to vote (in good standing). That is the homeowners who have paid their annual assessments and have no unresolved covenant violations.

What if we don't establish a quorum? In the unlikely event that we do not meet the quorum of 25% - 63 homeowners are represented in person or by proxy, the Association cannot conduct business at the Annual Meeting. In that event, the meeting will be adjourned and the previously noticed subsequent meeting will immediately be called to order. At the subsequent meeting, the required quorum is reduced to 32 homeowners represented in person or by proxy, in accordance with the Association's Bylaws.

Why is it important that I return my Proxy Form?

Every completed Proxy Form helps the Association reach the quorum required to legally conduct its Annual Meeting.

Even if you do not plan to attend, and even if you do not wish to vote for Board candidates, we strongly encourage you to return your completed Proxy Form.

If you simply want your property counted toward the quorum requirement, write **"FOR QUORUM ONLY"** on the Proxy Form. No votes for Board candidates will be cast on your behalf.

Can I change my mind after submitting my Proxy?

Yes. If you attend the Annual Meeting in person, your proxy will be returned to you during registration and you may vote in person instead.

Can I attend the meeting if I rent a home in Paddock Point? While homeowners and renters each enjoy the amenities of Paddock Point, the CCRs clearly state that only homeowners can vote. Renters are more than welcome to attend the meeting. However, renters will be unable to vote.

How do I know if I am in good standing?

If you are unsure whether your voting rights are currently suspended, please contact the management company before the proxy submission deadline. This will allow sufficient time to verify your eligibility and, where possible, resolve any outstanding issues before the Annual Meeting.

Will I be allowed to speak at the Annual Meeting? In order to speak at the meeting, you will be required to sign up at registration and you will be given the opportunity to speak for up to 2 minutes at the end of the meeting. The Board intends to provide an opportunity for homeowner questions at the conclusion of the meeting. Depending on the meeting agenda and available time, some questions may be answered after the meeting or at a later date. If you have a question that you wish to ask at the meeting, please send the question in advance to the management company at paddockpoint@hoapartner.com or call the management company, at 864-568-5800. By doing this, you will give the Board members the opportunity to provide you with an accurate answer.

Please remember we are all neighbors and we ask that everyone behaves in an appropriate manner.

Voting Rules:

- Each Lot has one vote. If you are joint owners, then you must decide who will vote. Renters may not vote.
- Only homeowners who are in good standing, as defined by the Association's governing documents, are eligible to vote or be counted toward the quorum. Homeowners whose voting rights have been suspended by the Board in accordance with the governing documents are not eligible to vote until those rights have been restored.
- A "neighbor proxy" is a Paddock Point homeowner who has been named on a proxy form which has been completed and signed by another homeowner. The "neighbor proxy" will get one vote for each lot for whom he/she has been named as proxy.
- A Board Proxy is a proxy for which no individual homeowner has been named as the proxy holder. In that case, the proxy will be exercised in accordance with the majority vote of the Board of Directors. For example, if the three Board Members vote two in favor and one against, the Board Proxy would be cast in favor of the motion.
- Votes will be by written ballot.

If you have any questions that are not covered by the above, please contact Simon Kaye (Community Manager) @ paddockpoint@hoapartner.com

Thank you for supporting your Association by returning your Proxy Form. Your participation, whether by attending the meeting or submitting a proxy, helps ensure the Association can conduct its Annual Meeting efficiently while avoiding unnecessary expense.
